Imagining the Possibilities: A Nordic Cultural Center from Conception to Grand Opening

with Gregory B. Smith

SHF's new Executive Director Greg Smith will take us through the complexities of conceiving, developing, building and operating a nonprofit cultural center, from the first kernel of an idea to the programming and day-to-day functioning of a new facility. With planning still going on for the many kinds of programs that will be offered, Greg will be asking for YOUR input as well as to the types of things you would like to see happen there.
